

Best in Class Trucking Services

We are dedicated to providing top-tier truckload transportation services throughout North America. With our commitment to quality and extensive expertise in the logistics field, we guarantee the safe and efficient delivery of your cargo.

Why choose us?

Secure High-Value Shipments with Confidence

Safeguard your luxury goods, electronics, and other valuable items with our High-Value Shipments service. Designed for items with substantial monetary worth, we provide heightened security features, such as secure warehousing and real-time tracking. Our expedited shipping options minimize transit time, reducing risk and ensuring safety.

Specialized Equipment for Unique Shipping Needs

Certain items require special transportation solutions due to their size, shape, or specific needs. Our specialized equipment and skilled handling ensure the seamless transport of oversized machinery, temperature-sensitive goods, and more. From flatbed trailers to refrigerated trucks, we have the right equipment to handle your unique shipments safely and efficiently.

Bulky or Irregular? No Problem!

We excel in transporting bulky or irregularly shaped items that need special care. Whether it's furniture, large machinery parts, or oversized art, we guarantee secure packing, loading, and delivery. With custom crating and specialized equipment, no shape is too challenging for us.

Technology-Driven Efficiency

Leverage our state-of-the-art logistics platform for real-time tracking, reporting, and shipment management. Our technology provides transparency and control, giving you confidence from pickup to delivery.

Our Services Include:

Full Truckload (FTL)

Our FTL services provide direct, secure, and speedy transport for large-volume, high-value, or time-sensitive cargo. Enjoy peace of mind knowing your goods are the sole focus from origin to destination.

Less Than a Load (LTL)

This cost-effective option ensures security and timely delivery for palletized shipments of 150 to 15,000 lbs. Personalized service from our Operations Managers guarantees secure handling and timely delivery.

High-Touch Services

For shipments requiring extra care, such as sensitive electronics or critical medical equipment, our white-glove service includes refrigerated transport, flatbeds, and specialized equipment.

At Olympic Logistics, we provide assistance and solutions for all your domestic and international needs.

Specializing in expedited, high value, and unconventional moves, from a small box to multi-truck projects, our highly experienced, knowledgeable team is your partner from start to finish.
