

# Tradeshow Shipping & Event Logistics

Navigating the nuances of tradeshow logistics is second nature to us. From mitigating common headaches like delayed pickups and forced freight, to securely transporting unique items and prototypes, our personalized solutions make your trade show experience seamless and stress-free.

## Why choose us?

### Expert Guidance & Tailored Solutions

Our team provides expert guidance and customized solutions, handling your event logistics flawlessly regardless of size or location. From booth materials to promotional items, we manage all aspects of your event's logistics.

### Reliable Partnerships & Comprehensive Services

We have relationships with the industry's top exhibit houses and finest exhibitors. We offer a full range of logistics services from warehousing to on-site management, ensuring a memorable event.

### End-to-End Transportation & Venue Familiarity

We provide comprehensive logistics support including warehousing, packaging, shipping, on-site support, and customs clearance and documentation. Our in-depth venue knowledge, strengthened by our professional relationships with show management, ensures efficient setup and delivery to support your event's success.

### Tradeshow Expertise

Our extensive experience guarantees precise and successful handling of your event needs, from small-scale events to large international exhibitions.

## Our Services Include:

### Shipping and Handling

We manage all aspects of exhibition logistics, ensuring timely, perfect condition arrivals for smooth setups and efficient dismantlements.

### On-Site Support

We offer complete on-site support including installation, dismantlement, and project management for last-minute challenges.

### Solutions for Unique Cargo

We specialize in securely transporting unconventional cargo such as large equipment, unruly displays and installations, and one-of-a-kind pieces. Your investment is protected with our expertise and resources.
